Marshalls	Mrs Fiona Wake, Ms Jen Leahy
Announcer	Mr Sam Jacometti
First Aid	Miss Amy Chiu
Photographer & Promotion	Mrs Sam Crick, Miss Lauren Duguid

2022 Whole School Swimming Carnival Program of Events

P&F Cake Stall

Students are to bring morning tea, lunch and plenty of drinks/water. In 2022, the P&F will be running a cake stall for students to purchase items.

Age

A swimmer's age is determined by the age they turn on or before 31 December 2022.

25 metre events

All 25 metre events will be held in the 6 lane pool.

PLC Armidale Junior School Representative Team for IPSHA

Students 8 years and older competing in the 50m and 100m events may be considered for representative swimming.

PLC Armidale Senior Representative Team for IGSA

The Senior School team to represent PLC Armidale in the IGSA Swimming competition will be determined by race times. This team will travel to Sydney to represent PLC Armidale in March this year. Some events at IGSA are conducted in Junior, Intermediate and Senior age brackets, rather than individual age events.

War Cries

War Cries will be conducted at approximately 1pm. Each Guild performs a war cry to build their Guild spirit and sense of belonging through singing/chanting (shouting!) positive messages about their Guild. It is a competition between the Guilds as to who is the most creative, in time and audible. It is a lot of fun and involves the whole College.

Program of Events Swimming Carnival 2022

Program			Record Holders		
Event No.	Event	Age	Name	Time	Year
1. All divisions 8:30am start	200 IM	Junior- JS	L Doe	3:23.91	1997

Dixon	Green Caps

Points

1st	13
2nd	8
3rd	5
4th	3
5th	2
6th	1
7th	1
8th	1

Frequently asked questions

- *When do I tumble-turn?*
 - Tumble-turns are done for freestyle and backstroke races only. They are considered more conducive to maintaining momentum in these strokes. The trick is to tuck in tight and push off with a nice streamline UNDER the water in order to avoid the wave which is trailing you.
- *What happens in a false start?*
 - If a swimmer 'breaks' (goes before the starting signal) then there will immediately sound a second starting signal to alert the swimmers to abort the race. If swimmers do not hear the signal, a rope at 15m will be dropped into the water, which will stop the swimmers. The race will then be restarted.
- *When do I touch with two hands?*
 - Touch-turns are done for breaststroke and butterfly races only. Because these strokes are done in a much more prone fashion (not as much rotating as freestyle and backstroke) they are considered more conducive to maintaining momentum in these strokes. The trick is to hit with both hands, then have one arm come over the water as you turn around, drop under the water, then push off the wall with a nice streamline UNDER the water in order to avoid the wave which is trailing you.
- *In the IM, must I swim in a certain order? What happens if I swim out of order?*
 - The order is butterfly, backstroke, breaststroke then freestyle. The medley must be swum in the correct order or the swimmer is disqualified.
- *In the IM relay, what is the order and can we change it?*
 - The order is the backstroke, breaststroke, butterfly and freestyle (alphabetical order for this one). The medley relay must be swum in the correct order or the team is disqualified. These are the rules of Swimming Australia and also FINA.
- *Can I swim any stroke for a freestyle race?*
 - Yes, apart from a medley, where swimmers must do 'crawl' alongside the other three strokes, freestyle literally means 'free style'. In a purely freestyle race, swimmers are free to do any stroke or technique they wish, so long as their feet do not touch the bottom and they complete the required length.
- *In the relay race, can a swimmer swim up an age group?*
 - Yes. When a Guild does not have enough swimmers to fill a competitive relay team, swimmers can be brought up from a younger age group.

Thank you to all parents, relatives, staff and students who assisted with the many duties necessary to ensure a successful Swimming Carnival.
